DUT Mechanics and Production (equivalent to 2 year technical degree)

## Julien NGUYEN - Product Design & Engineering

**French - 26 years old**  
**Email** : [julien.hanh.nguyen@gmail.com](mailto:julien.hanh.nguyen@gmail.com)  
**Skype** : [nguyen\\_julien](https://www.skype.com/user/julien_nguyen)  
**Phone** : +336 95 08 37 56  
**Website** : [www.julien-hanh-nguyen.com](http://www.julien-hanh-nguyen.com)  
**Driving license**

### OBJECTIVES :

Design engineer position where I can maximize and enhance my creativity, designing, engineering and management skills

## COMPUTER SKILLS

- CAD** CATIA V.5 / SolidWorks / SolidEdge  
Part & Assembly design - Kinematics - Surface design - Numerical computation
- PLM** Windchill  
Collaborative management - Planning - Tasks attribution - Files management
- Graphical Art & 3D render** Adobe Illustrator, Adobe Photoshop, 3DS Max, Keyshot and 3DVIA Composer
- Others** HTML/CSS, Microsoft Office, PREZI Desktop, Final Cut Pro

## LANGUAGES

-  **French** : Native
-  **Mandarin** : Used at work and daily conversation
-  **English** : Proficient
-  **German** : Basic knowledge

## INTERESTS

- Hobbies** Cinema and American TV shows, Industrial design, street art, Mangas & Comics
- Travels** China, Laos, Thailand, Malaysia, Guadeloupe, Croatia, Germany, UK, Spain
- Sports** Karate (black belt, 11 years of practiced)  
Breakdance (5 years of practiced)
- Association** ORLYWOOD (HIP HOP association during 2 years)
